PLEASE NOTE THE FOLLOWING PROVISIONS:

- **INCOMPLETE SUBMITTALS WILL BE DENIED**
- Construction must begin within one year of Application approval and must be completed within one year thereafter.
- Any damage to nearby common or private areas must be corrected within fifteen (15) days of completion of construction.
- The Property Owner is responsible for obtaining any applicable City or County Building Permits.
- Original drainage pattern must be maintained.
- Exterior paint regardless if color change or repainting existing color, requires an Application and approval of the Architectural Control Committee.
- All front and rear yard lot lines must be strictly adhered to.
- Contractors cannot stage work or store materials on the street. The property owner is responsible for any violation by the contractor. If a violation occurs, the Property Owner will incur a \$250 per incident, per day fine which will be deducted from the security deposit and the work will be stopped until the deposit is restored to its full amount.
- Speed limits and traffic regulations will apply to all contractors who enter and travel within the Ancala community. If a contractor violates any speed or traffic regulations, the Property Owner will be responsible for the fine incurred, in accordance with the fine schedule published by the Ancala Homeowners Association.
- Construction work must be performed on the Lot between the hours of 6:00 AM to 6:00 PM. No work shall be done outside of these hours and no work shall be done on Sundays or Federal Government recognized legal holidays.
- No member of the Ancala Homeowners Association Architectural Control Committee, Board of Directors, or Managing Agent shall be responsible in any way for any defects in any plans and/or specifications submitted in accordance with the rules and regulations of the Committee, nor for any structural defects in any building or structure erected according to such plans and specifications.
- If not approved, this Application may be appealed to the ACC Committee for a final review and decision.
- The Property Owner agrees to comply with all applicable city and state laws, and to obtain all necessary permits. Approval by the Ancala Architectural Control Committee shall not be deemed a warranty or representation as to the quality of such construction, installation, addition, alteration, repair, change or other work, or that work conforms to any applicable building codes or other federal, state or local law, statute, ordinance, rule or regulation.
- Ancala Homeowners Association may require a fee and/or refundable security deposit upon submission of the application for your project. Contact the Executive Director to determine applicable fee and deposit amount required with the Application.
- Within 30 days of receipt of each Application, **with full and complete descriptions**, the ACC will review and attempt to render a decision or request additional information required to render a decision.
- The Property Owner's signature on this Application means the Property Owner understands and agrees to all provisions noted.
- Any debris or trash that is on the street following work on an approved project must be removed by the property owner to the satisfaction of the HOA.

I have read the provisions of this Application and understand and agree to follow them and agree that all information provided in the description of the project is accurate.
